

Note: Assembly is the same for all sizes of straight tension fabric displays

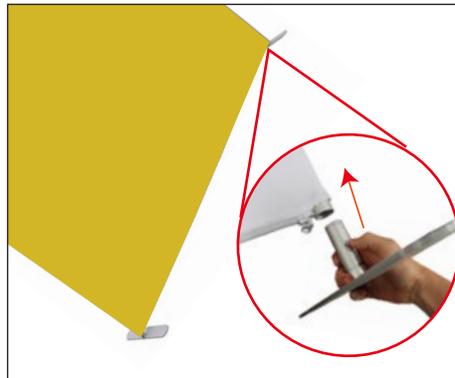

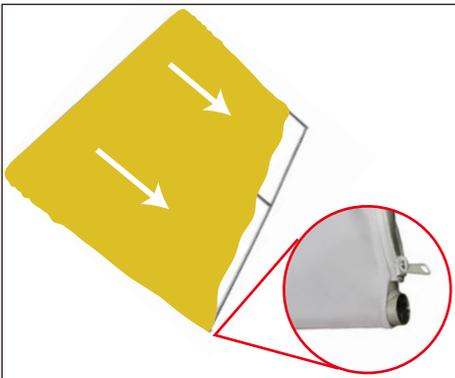

When you get it, it will be like left pictures, all are in one carrying bag. It is composed of frame, feet and graphic.

1. Lay pieces out, matching up stickers.

2. Assemble bungeed poles.

3. Assemble the frame by connecting the center support and all perimeter pieces of the frame.

4. Slide the fabric graphic over the frame. Pull the graphic area with the zipper head around corner of the frame. Zip up the graphic.

5. Attach the feet and stand the display up. Note: Feet should align to the outer edge of the frame.

6. Clamp optional Led light to the top frame.
Tip: It is easier to do this before standing the display up.
